Rules and Regulations For Hackathon

- **There is no registration fee for RTU & BTU affiliated college's students. For others registration fee will be INR 500 per team.**
- It will be a 24 hour-long online event.
- Students have to finish building their projects by the allotted time and have to show it on their systems through screen sharing. A panel of judges will decide the final results.
- Prizes will be awarded based on the project's creativity, execution and impact made to the target users or the community.
- Participants can choose any platform for development.
- All participants have to keep their cameras on throughout the event.
- We will accept applications from a fixed team size of 3-5 students.
- No inter-college team is allowed.
- Each team should join the session before 15 mins of their scheduled time.
- To give the presentation, your team's name will be called thrice by the moderator of the panel, if you miss all the chances then you will be disqualified.
- Teams should fill their details correctly otherwise they will be disqualified before scrutiny.
- Final Confirmation of the problem statement will be given to your team through mail after scrutiny by the jury.
- You will be given a 20 mins mentoring session and 5 mins for related queries.
- You will get a total of 10 mins for presentation during evaluation.
