REPORT ON FEEDBACK RECEIVED FROM STUDENTS: 2019-20

GOVT AUTONOMOUS COLLEGE, ROURKELA

The institute aims to offer the best possible environment and learning experience to the students. The positive relationship between student and academic environment has several benefits at all levels of an educational establishment. Students, teachers, parents and alumni play an important role in the evaluation, development and enhancement of the quality of this learning experience. The students are supposed to be the most important stockholders of any educational system. The feedback collected from students helps the college to evaluate how its service policies and make changes as per stakeholders requirements. The Feedback Process has put an emphasis on the need for involvement of students in the quality assurance of higher education. Student involvement requires that students should act as a collaborators in, rather than merely passive receivers of, teaching and learning process. Our institution ensures that students have a voice at various decisions making process, formulating learning and teaching practices. The student feedback approach is basically about institutional practices, processes and frameworks that take into account students concerns of the quality of the education they receive. Thus, our institution collects feedback two times during a session from the students. The IQAC cell of the college takes initiatives for feedback collection and analysis with the help of different department.

Suggestion for consideration from student side:

The analysis of the students' feedback clearly depicts that they are well satisfied with the curriculum development and revision.

Certain steps are recommended on the basis of analysis of the students feedback received are:

1. Doubt clarification by the teachers- More doubt clearing classes
2. Effectiveness of classroom teaching- More focus on competitive examination
3. Student support from SAMS
4. Accessing Library facilities- More books to be purchase for college Library
5. Infrastructural Development- Sports facilities need to be upgraded, More number of academic building to accommodate newly opened courses
