When ever you ...

Arabinda Kumar Sahoo

+3 IIIrd yr. Arts

If you ever find yourself stuck in the middle of the sea will sail the seas to find you.

If you ever find yourself lost in the dark and you can't see I'll be the lightto guide you.

Find out what we're made of what we are called to help our friends in need.....

You can count on me like 1... 2... 3

I'll be there

And I know when I need it

I can count on you like 3... 2....1

And you'll be there

Cause that's what friends are supposed to do.....

You will always have my shoulder....

When you cry..... I'll never let go.....

Never say good bye....

If you ever forget how much you really mean to me

Every day I will remind you

Find out what we're made of

What we are called to help our friends in need.....

U can count on me like 1....2.....3.....

I'll be there.....

I can count on you like 4.....3.....2....

And you'll be there.....

Cause that's what friends are supposed to do.....

Child Labour is a Social Evil

Bidyabhasini Das

+3 IInd yr. Sc.(SF)

Labour below the age of 14 years is called child labour. India has the largest number of child labourer in the world. According to the census figures of 1991, India has 11.29 million child labours, which constitute 1.34 percent of the total population of our country. Most of the child labours are engaged in agriculture and allied fields like livestock fostering and fishing. In the urban areas, children work in road side eateries helpers or cleaners in trucks and as domestic servants etc. They work for long hours in bad and unhygienic conditions for fewer wages. The main reason behind child labour is poverty. Children born in poor families are forced to work not only for their own survival but also for their family. Unawareness of the people and government also compels poor parents to make their children employed as labourers. Let us all be united to fight against this social evil.

A message from God

Prasanjeet Pradhan
+3 1st yr. Science

“Hands That Serve Are Holier Than Lips That Pray”

No one has the authority to give in charity what has been given by god or be proud of it or even to feel that he has given something in CHARITY.

God gave the rains, god fostered the sapling and God ripened the Grain. What right have you to call it yours and give it in charity?

NARAYANA SEVA :

The best type of love is feeding the hungry

It is not charity that you do

You are only offering gratitude to God by offering the food to these Gods in human form.

Volunteers :

The best way to please me is to see me in all beings and serve them just as you would like to serve me.

Help as much as you can, as efficiently as you can, as silently as you can, as lovingly as you can, leave the rest to God, who gave you the chance to serve.

“Love all; respect all, serve all”.

Love must be manifested as seva – service – seva must take the form of food for the hungry, solace for the forlorn, consolation for the sick and the suffering.

Selfless service is the fragrant flower of altruistic love. It is not to be performed for the satisfaction of the person rendering the service or the person.

Whose bidding it is so done.

Plant the seeds of love in your hearts,

Let them grow into tree of service and shower the sweet fruit of Bliss share the bliss with all.

Bhagwan Sri Sathya Sai baba.

Teenage

Shikha Kumari
+2 1st Arts

You realize that you are teenager when:
The music of Yo Yo ... Honey Sing is
more welcoming to your ears.

Than your parent's words,
Their worries and fears.

Your memory has more place for
Alia Bhatt/Siddharth Malhotra.
But you will not have much for old
Lala Lajpat Rai.

You get a special fondness in messing
up your own face,

And things which are "Cool"

Become your top craze.

You would understand the top concepts
of the latest fashion;

But would not make out Greek or Latin.
From even one mathematical equation

Your room which was once filled
With dumb toys,

Will now has the space for the posters
of

Eminem and other boys.

But realize to take care

That is not all,

And become aware,

Of this stage which is a call.

To misunderstand your responsibilities

For you are now in childhood,

And get prepared to face.

The challenges of adulthood.

This stage in life

Suppress your doubts and fears.

And prepare a distinguished citizen

For the forthcoming years.

Opportunity comes once in a lifetime.

Shikha Kumari
+2 1st Arts

"Go for it!" this moment will never come,
Try hard; for success comes in the hand
of some

Work hard; don't waste your precious
time,

Remember life is no sweet wine;

Remove the hurdles clear your way

Its time for action don't go astray.

Don't wait for the danger bell to chime,

For opportunity comes once in a lifetime,

Many temptations are there

Avoid them if you don't want too much.

Problems are to be solved not to be piled

Remember that time can be every hostils

Do you have some aim? Just ask your
soul

Don't wander aimlessly, have some goal

It's a golden chance to make your name
shine.

Hurry!!! For opportunity comes in a life
time.

"Don't miss your first opportunity, It is
very expansive for U"

Night's Loner

Soumya Mohanty

Class - +3 1st yr. (MTC)

I walk all alone on the pace of the earth
Hiding my tears and my sorrow or just
pretending to be up for the
Challenges that await me ahead
The blue moon mocks my solitude
For I am the night's loner,

My love is gone, my hope is lost
Time has torn my fate apart
No more courage left to turn back
and see

The traces of life that is left
For I am the nights loner.

I call for my lost friends and the lost
love

Someone somehow please reply
My patience is not gonna lost any longer
Not able to hold myself together
For I am the nights loner

I know I can't express my self
Nor can I cry out loud
But I know u can see my heart
Weeping out loud

For I am the night's loner

My reality is no God's trace
Forced to walk upon earth
Till time departs
Forced to see my loved ones
Wither away in front my own eyes.
For I am the night's loner.

I Say Life is

Swarna Priya Sahoo

+3 2nd yrs. CSC

Some people say life is hard

Life is full of despair
for Others it's full of surprises
I agree with all those.
Life is whatever you think of it
Everything you think of it.
What you make of it
Life is about sadness and happiness.
And about pain & loss
Is about smiling and crying:
Is also about love.
Life is about laughter
And learning from mistakes.
Life is miserable, horrible and dumb.
Life is all about you & how you treat it.
You like it, you hate it
It's all up to you.

Happy Mother's Day

Sangita Majhi

P.G. 1st yr. (Odia)

'Mother' word is full of beauty .
Her child is naughty
She is always on her duty
Everybody know 'mother' word is so
difficult
But through mother's blessings
You have a good day
Yesterday, today and future day.
Mother I love you.

I can't

Sushmeeta Choudhury

PG 1st yr. (Botany)

You are like the moon
I can see you but
Can't touch you
You are like the air
I can feel your's presence but
Can't hold you
You are like butterfly
I can enjoy your's goodness but
Can't catch you
You are like mirage
I can follow you but
Can't reach to you
Funniest thing is that
I know you are a mirage
There is nothing for me
But still searching something
I know you will never be mine
But don't know why I want you
Why every time I miss you
Why from my heart I like you
Why why why

Arabinda Kumar Sahoo

+3 final yrs. Arts

Gamo me husne walo ko rulaya nahi
jata.
Lehro se pani ko hataya nahi jata,
Banana wale ban jate hai apne...
Kisiko keh kar apna banaya nahi jata..

Aise to koi tanha nahi hota
Chah kar koi khud kisi ke juda nahi
hota
Mohabbat ko aksar majboriyan hi le
dubti hai
Warna kehne ko to koi bhi bewafa nahi
hota...

Gham na kar zindagi bohot badi hai...
Chahat ki mehfil tere liye saji hai...,
Bas ek baar muskura kar tho dekho...
Taqdeer khud tujhse milne bahar khadi
hai...

Mohabbat sapne dikhati bohot hai...
Wo rrato ko mujhse jagati bohot hai...
Me aankho me use basau to kaise
Wo in aankho ko rulati bohot hai...,

Life Without a Teacher

Mukesh Kumar Sahoo

+3 3rd yrs. Comp.Sc.

Life without a teacher
Is like a nation without
sovereignty.
Life without a teacher
Is like a drama without a director.
Life without a teacher
Is like a garden without flower.
Life without a teacher
Is like a ship without radder
Life without a teacher
Is like a temple without God
Life without a teacher
Is like a bird without wings
Life without a teacher
Is like a man without brain
Life without a teacher
Is like a lamp without light
So, "Guru Bramha
Guru Bishnu
Guru Deva Maheswar

Showering blessings in our life.

Life is a Journey

Subhashree Pal

+3 2nd Arts, Psychology(H)

... Life is the biggest question for us,
We won't be able to solve it ever,
Decide your Journey;
Journey teaches great.
At the end, each of us will be judged
by our standard of life.

Not by our standard of living;
By our measures of giving,
Not by our measures of wealth;
By our simple goodness,
Not by our seeming greatness...

Time is precious

Pushplata Sharma
+3 IInd yrs. Arts

Time is free but it's precious
You can't own it but you can use it.
You can't keep it but you can spend it.
Once you've lost it, you can never get it back.

Time is more valuable than money
You can earn more money
But you cannot earn more time.
We are so obsessed with work, that we have no time & no imagination left for being...

As a result, men are valued not for what they are, but for what they do or what they have for their usefulness.

Time is really, the only capital that any human being has, and the only thing he can't afford to LOOSE.

My prayer

Tapas Kumar Panda

+3 1st yr. Arts (Odia Hons.)

My god! Listen to my prayer
I search for you, everywhere,
My life is full of despair
Let me feel, you are true and fair;
I pray you night and day,
Let me feel the holy ray
In every corner, you may lay
Please listen, my sorrowful cry;
Bless us, like summer rain
Let us feel, like rising sun.
